
KRISH MAHAJAN

Batote, J&K | +91 9055721797 | krishmahajan334@gmail.com | LinkedIn: <https://in.linkedin.com/in/krish-mahajan-617b50206>

EDUCATION

B.Tech Computer Science Engineering (CSE) | 2024-2028

D.K.T.E. Society's Textile and Engineering Institute

Minor: Industrial Internet of Things (IIoT)

Class XII (PCM) | 2024

Kendriya Vidyalaya, Chenani, J&K

SKILLS

- **Programming Languages:** Python, C++, Embedded C
- **Core Computer Science:** Data Structures, Object-Oriented Programming, Algorithms
- **Software Engineering:** Git & GitHub, Debugging, Modular Code Design, API Integration
- **Systems & Embedded:** ESP8266, Embedded Systems, Microcontrollers
- **Databases:** MySQL

EXPERIENCE

Junior Scientist Awardee

2023

- Recognized at national level for applied research and innovation.
- Contributed to algorithm development for real-time audio translation and gesture recognition.

GeeksforGeeks (GfG) Campus Body – Campus Mantri

Jan 2026 – Present

- Led technical outreach initiatives to improve student engagement with computer science resources.
- Designed and delivered structured presentations on problem-solving and competitive programming.

Kreo – Campus Ambassador

Jan 2025 – Sep 2025

- Conducted user engagement initiatives and collected structured feedback.
- Analyzed student feedback to support product improvement insights.

CERTIFICATIONS

- **CDAC Training:** Advanced C++, Data Structures, C Programming Fundamentals, Java.
- **IIT Bombay (Spoken Tutorial):** Linux, C Programming, HTML.

PROJECTS

Attendance Automator V5.0 | Python, Flask

Dec 2025 – Jan 2026

- Designed an automated system to extract and process structured data from academic portals.
- Implemented parallel data processing using ThreadPoolExecutor to optimize execution time.
- Developed data-merging logic to reconcile heterogeneous datasets into unified reports.

Hand Gestures Vocalizer (HGV) | Embedded C++

- Developed an embedded system to convert hand gesture inputs into real-time audio output.
- Worked on gesture-to-output mapping logic under real-time constraints.
- Project showcased during National Technology Week 2023.

AWARDS

- Junior Scientist Awardee - National Level
- Gold Medalist - 30th National Children's Science Congress
- Top 40 Team - ATL Marathon
- 3× INSPIRE Award Recipient
